The Purpose...

of this ministry is to provide hope and healing for those wounded in spirit and to encourage a deeper walk with Christ.

Healing...

He is here now to proclaim liberty to captives and recovery to the blind, to set at liberty those who are oppressed. Yes, Jesus is proclaiming to you this is the acceptable year of the Lord. Now is the time for you.

Perhaps your in a dysfunctional relationship with someone who is acting inappropriately and you feel confused and abandoned. You might even be blaming yourself for the dysfunction in your relationship or you might be in a place that life seems to wear you down and feel emotionally ill-equipped to handle all the stress.
